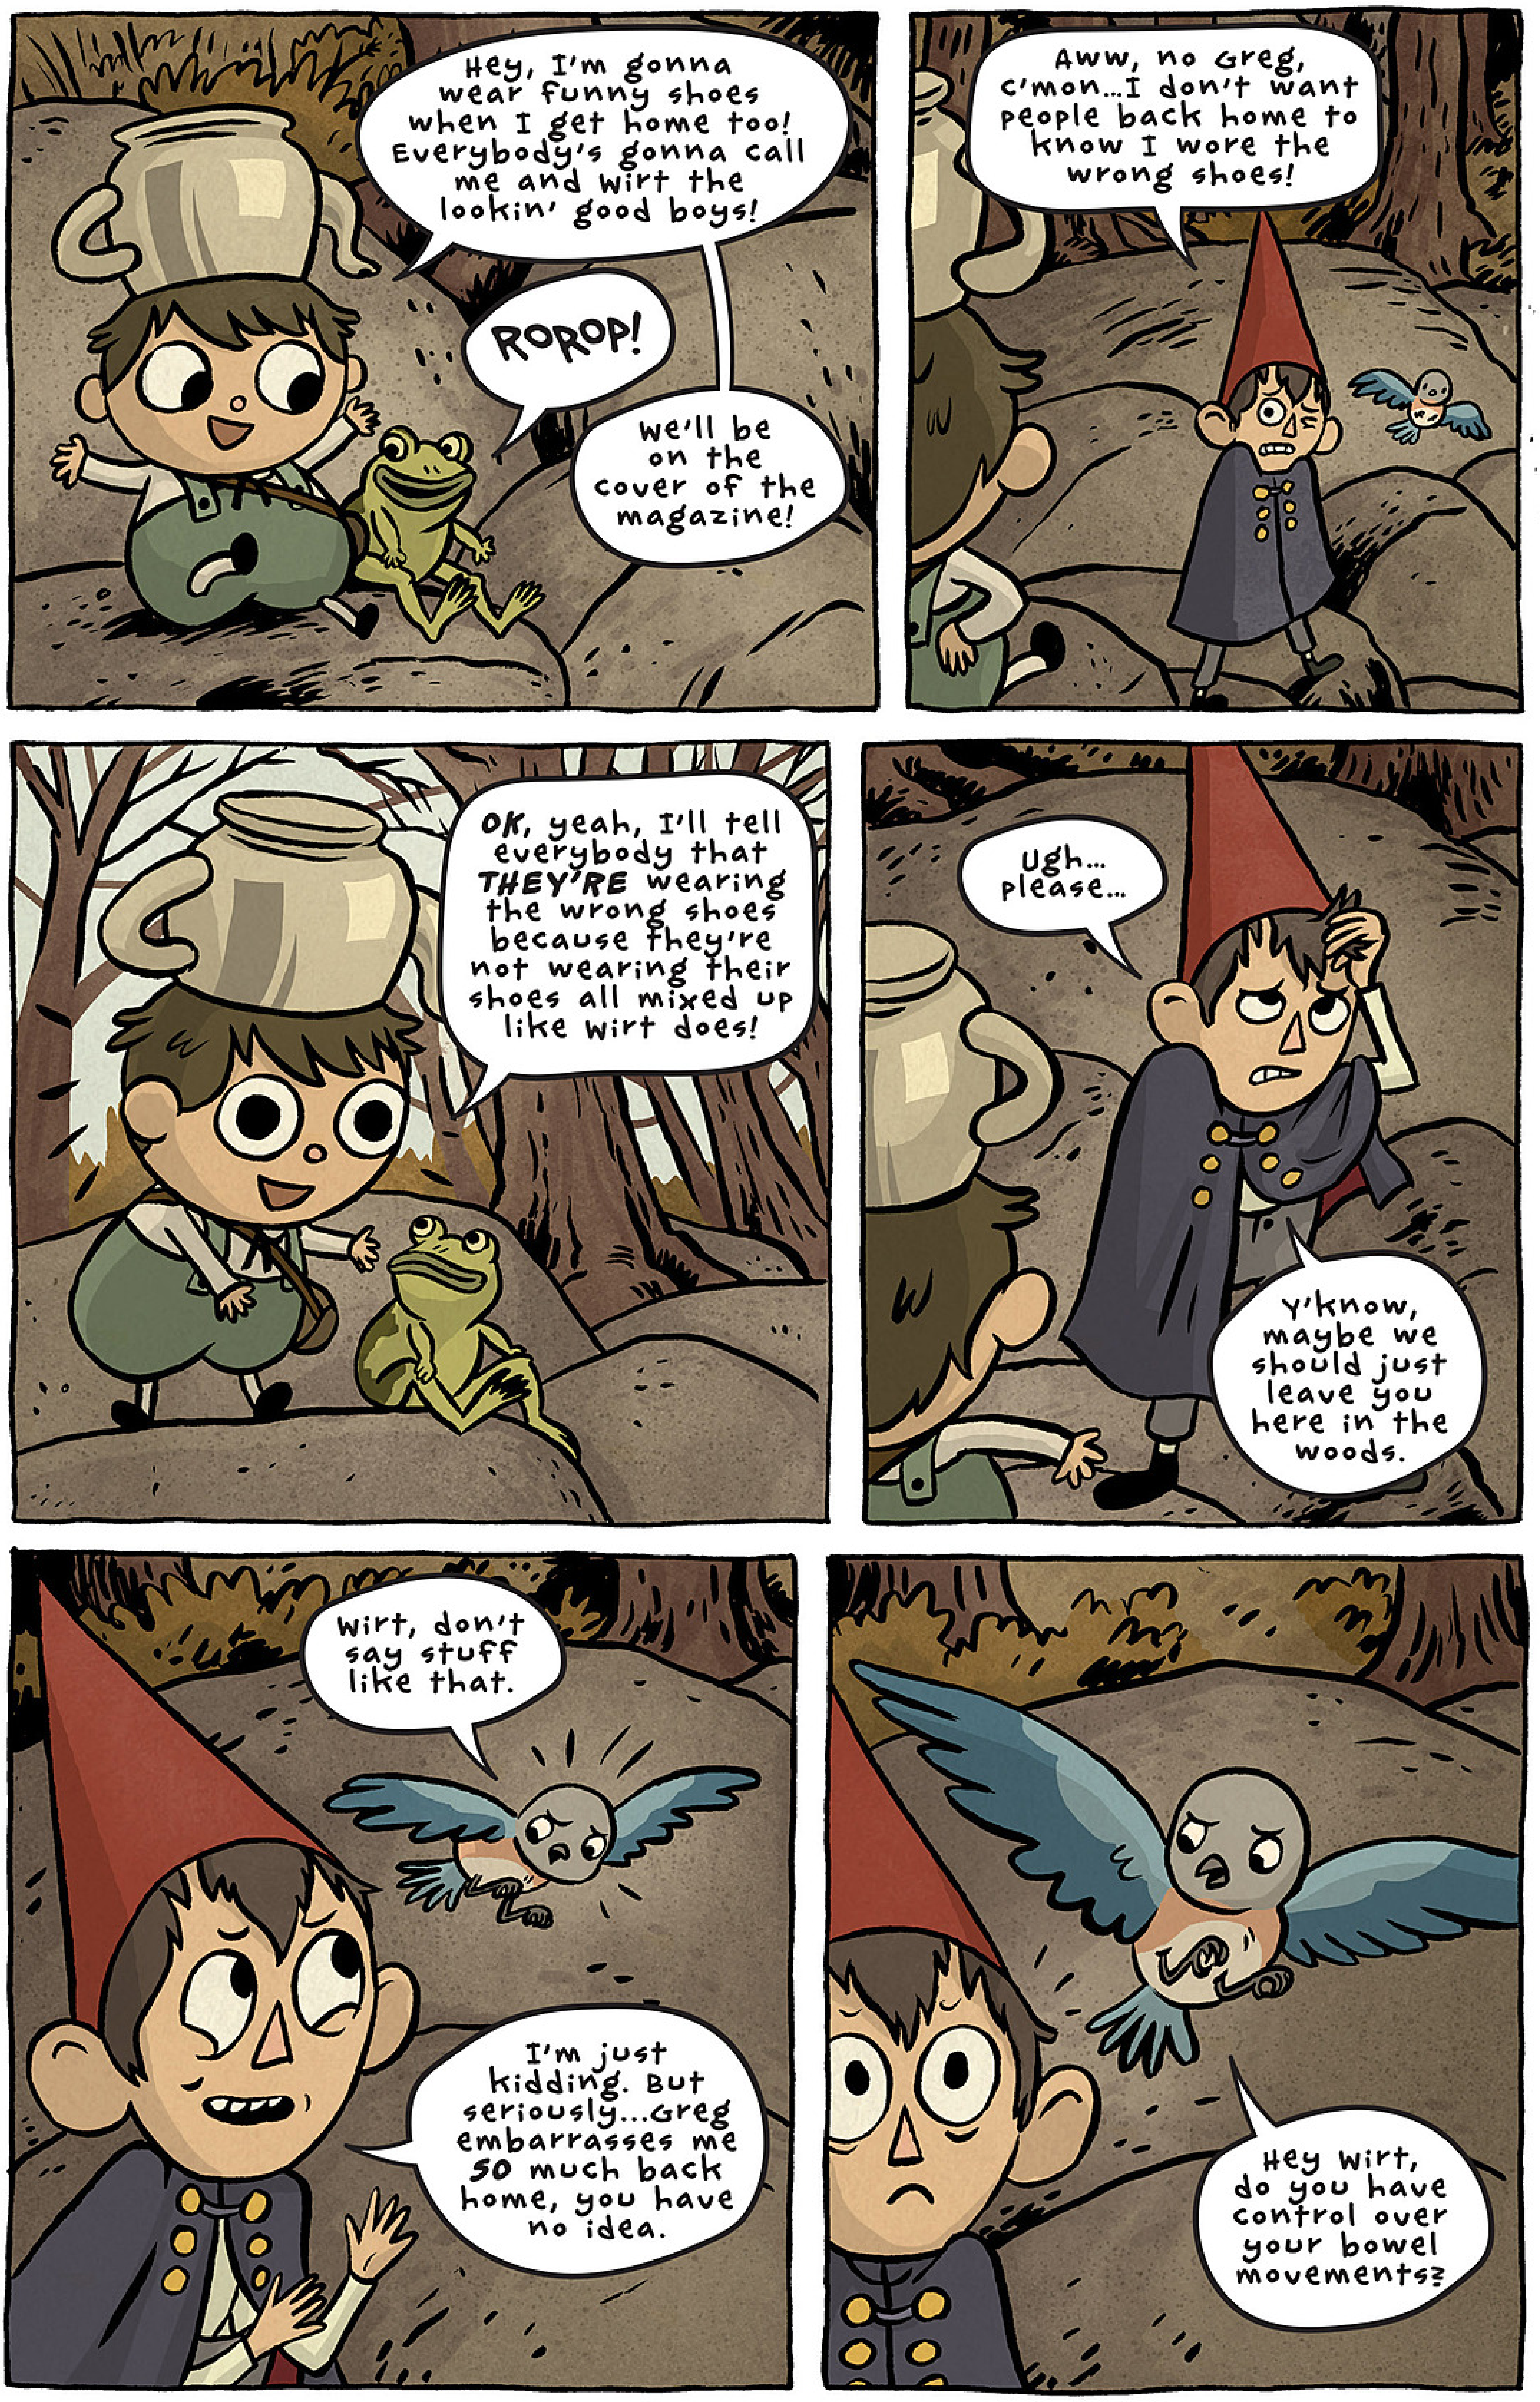
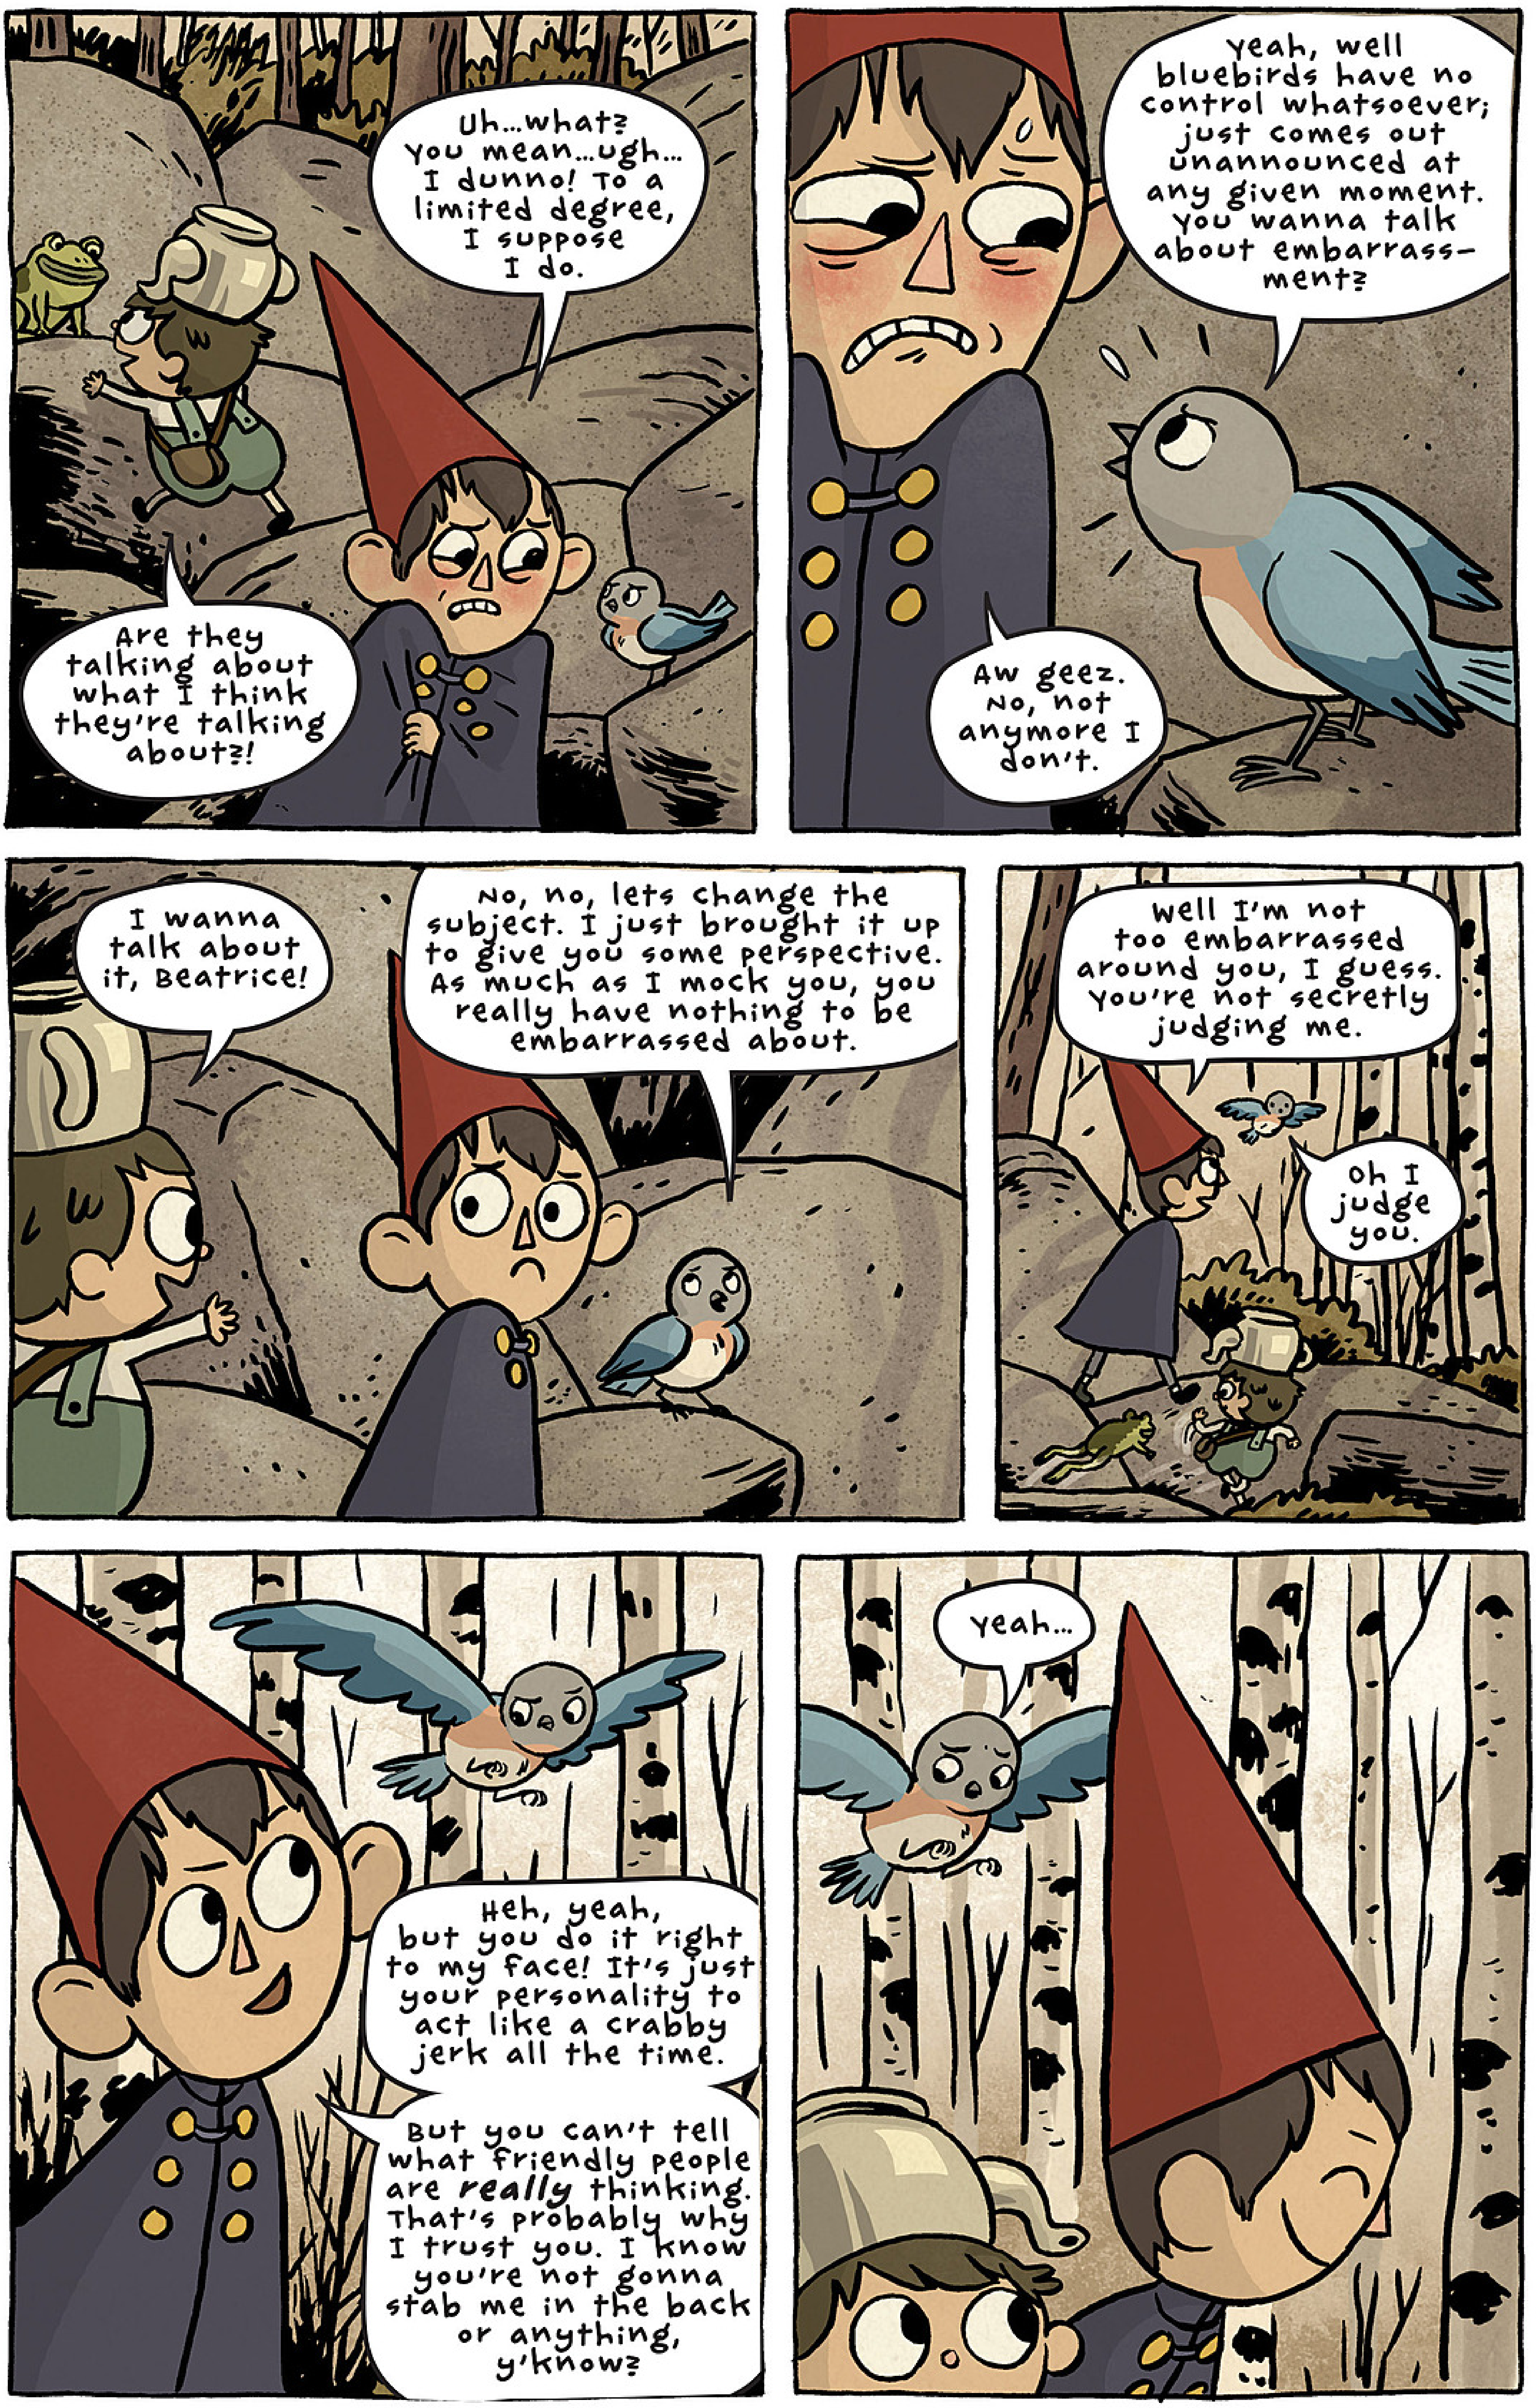
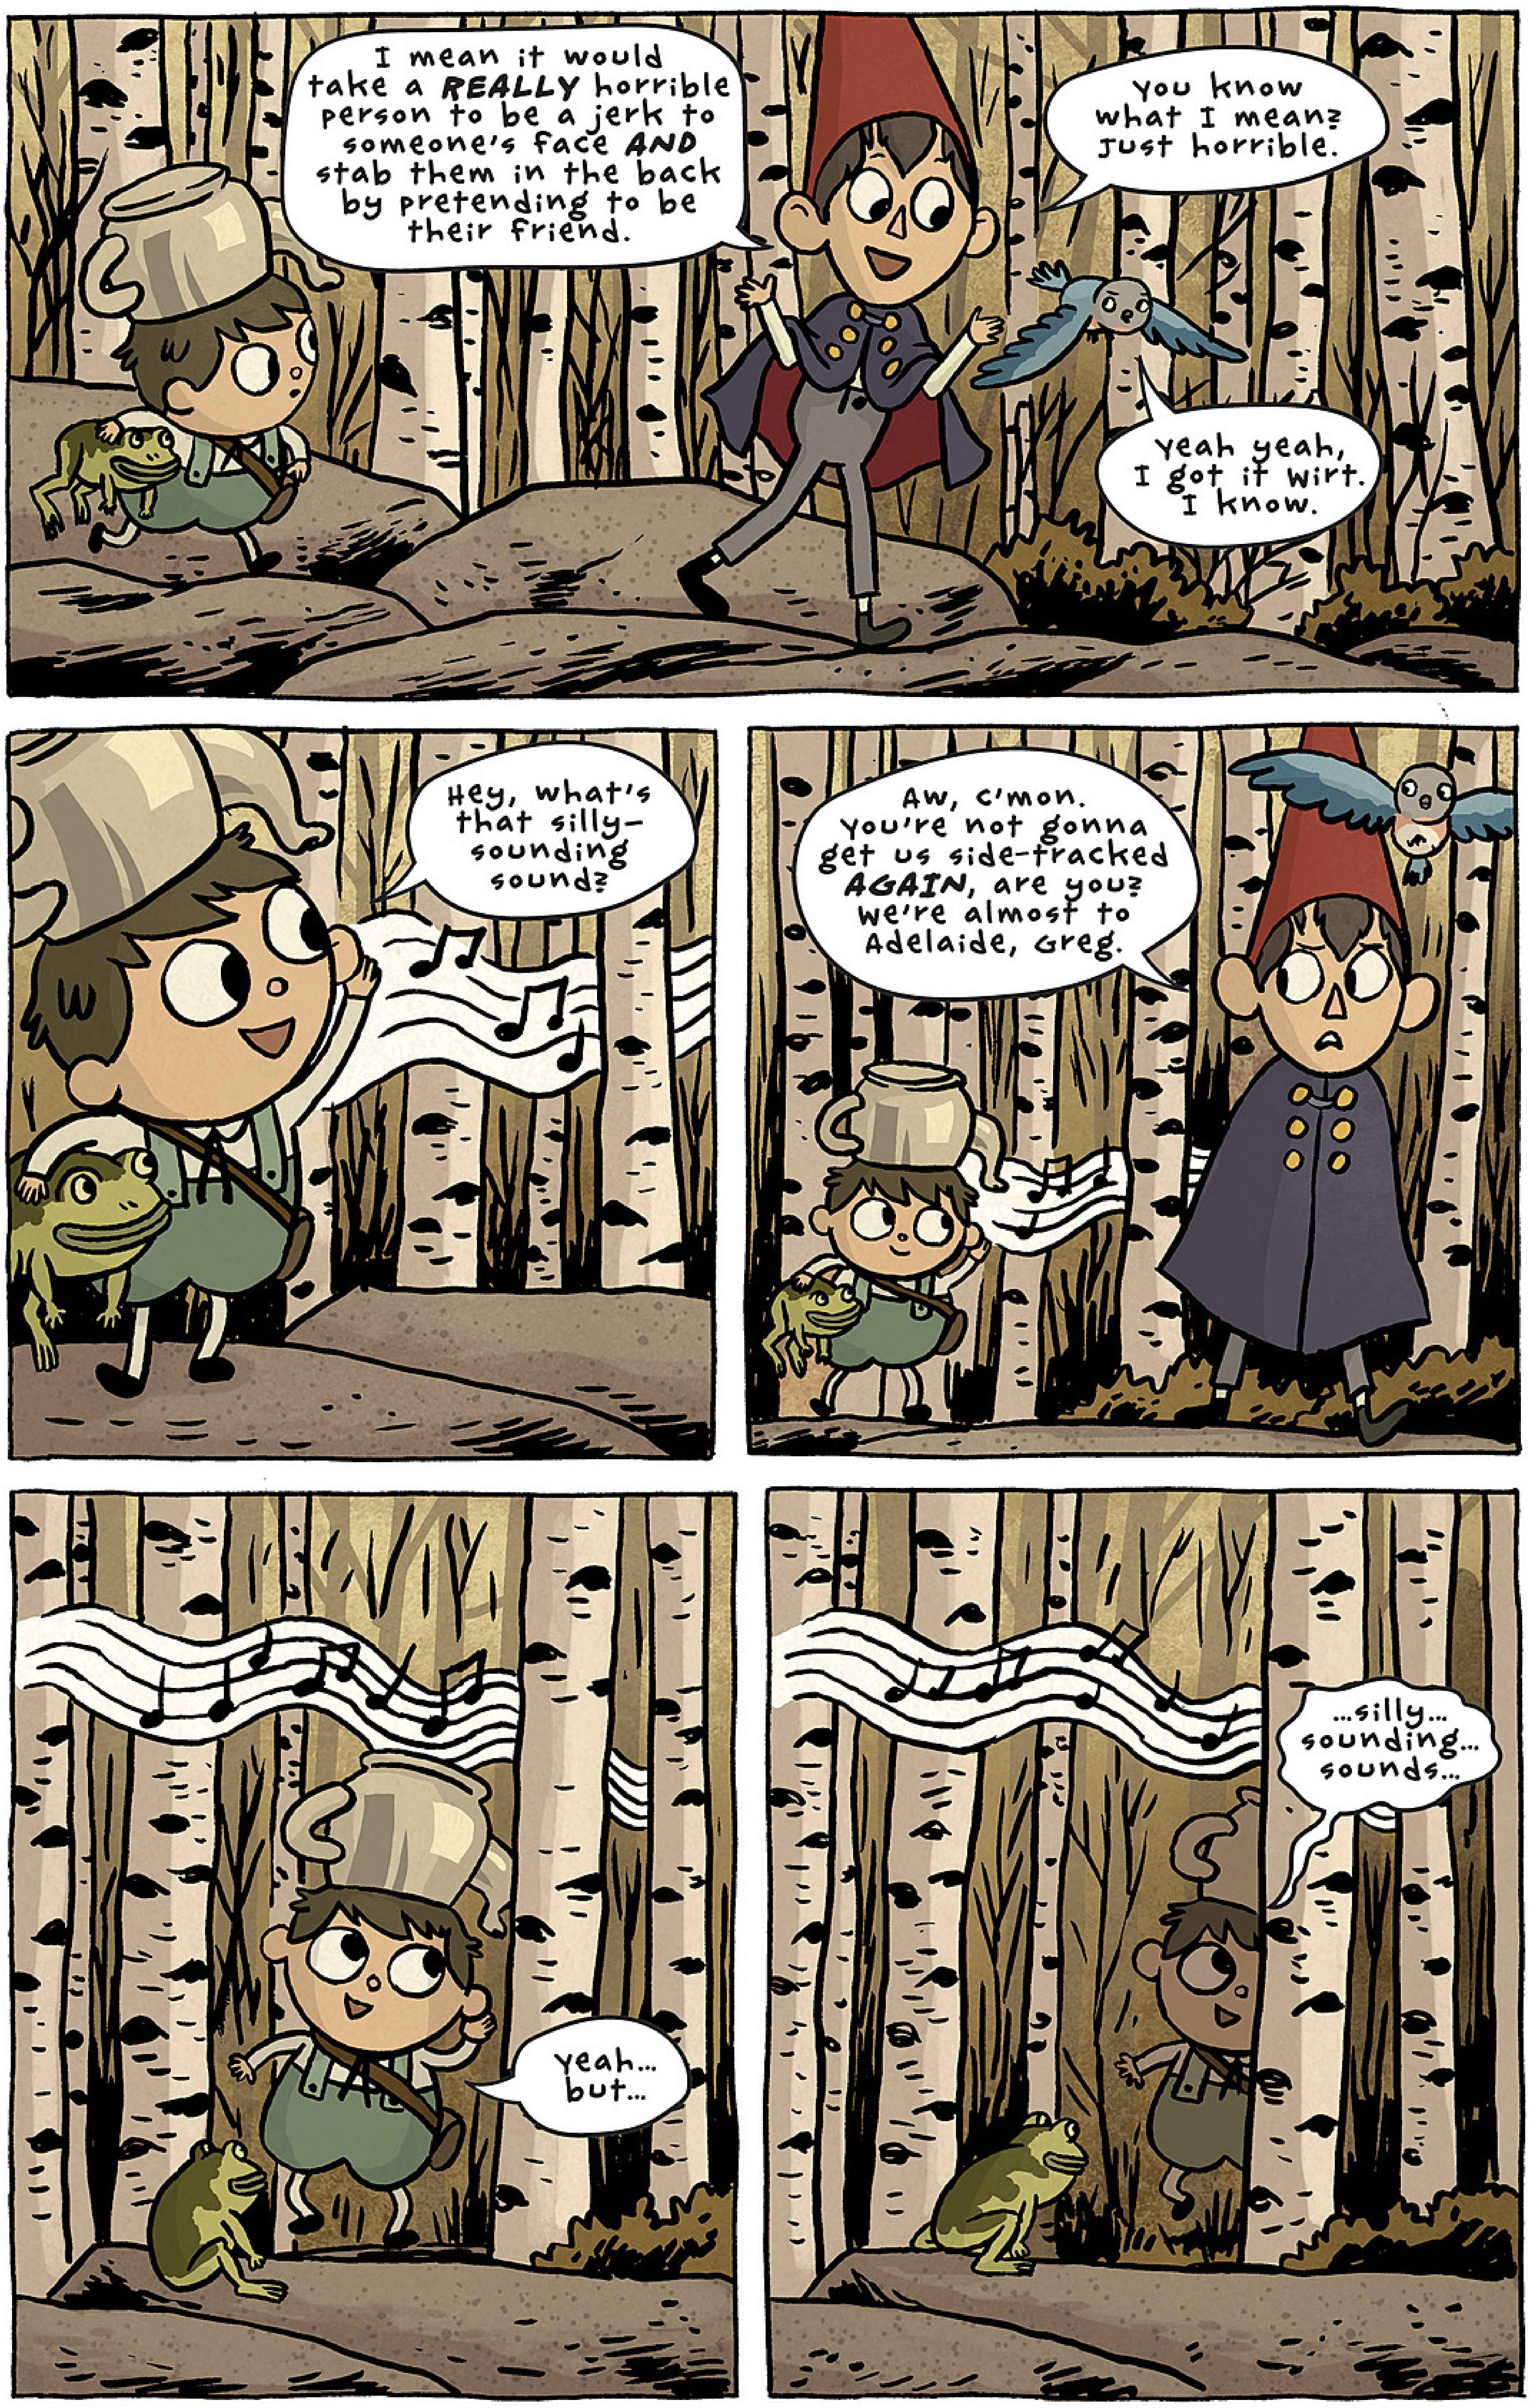
Hah! How could you make a mistake like *that*?
Well...I was putting on my black shoes as I was leaving the house...and then... I dunno...I guess I got...preoccupied... and just accidentally put on the wrong other shoe.
Hah! I don't see how you can even operate on a daily basis with a brain like that!
Oh, you mean a **REALLY SMART** brain?
Ugh!
Heh.



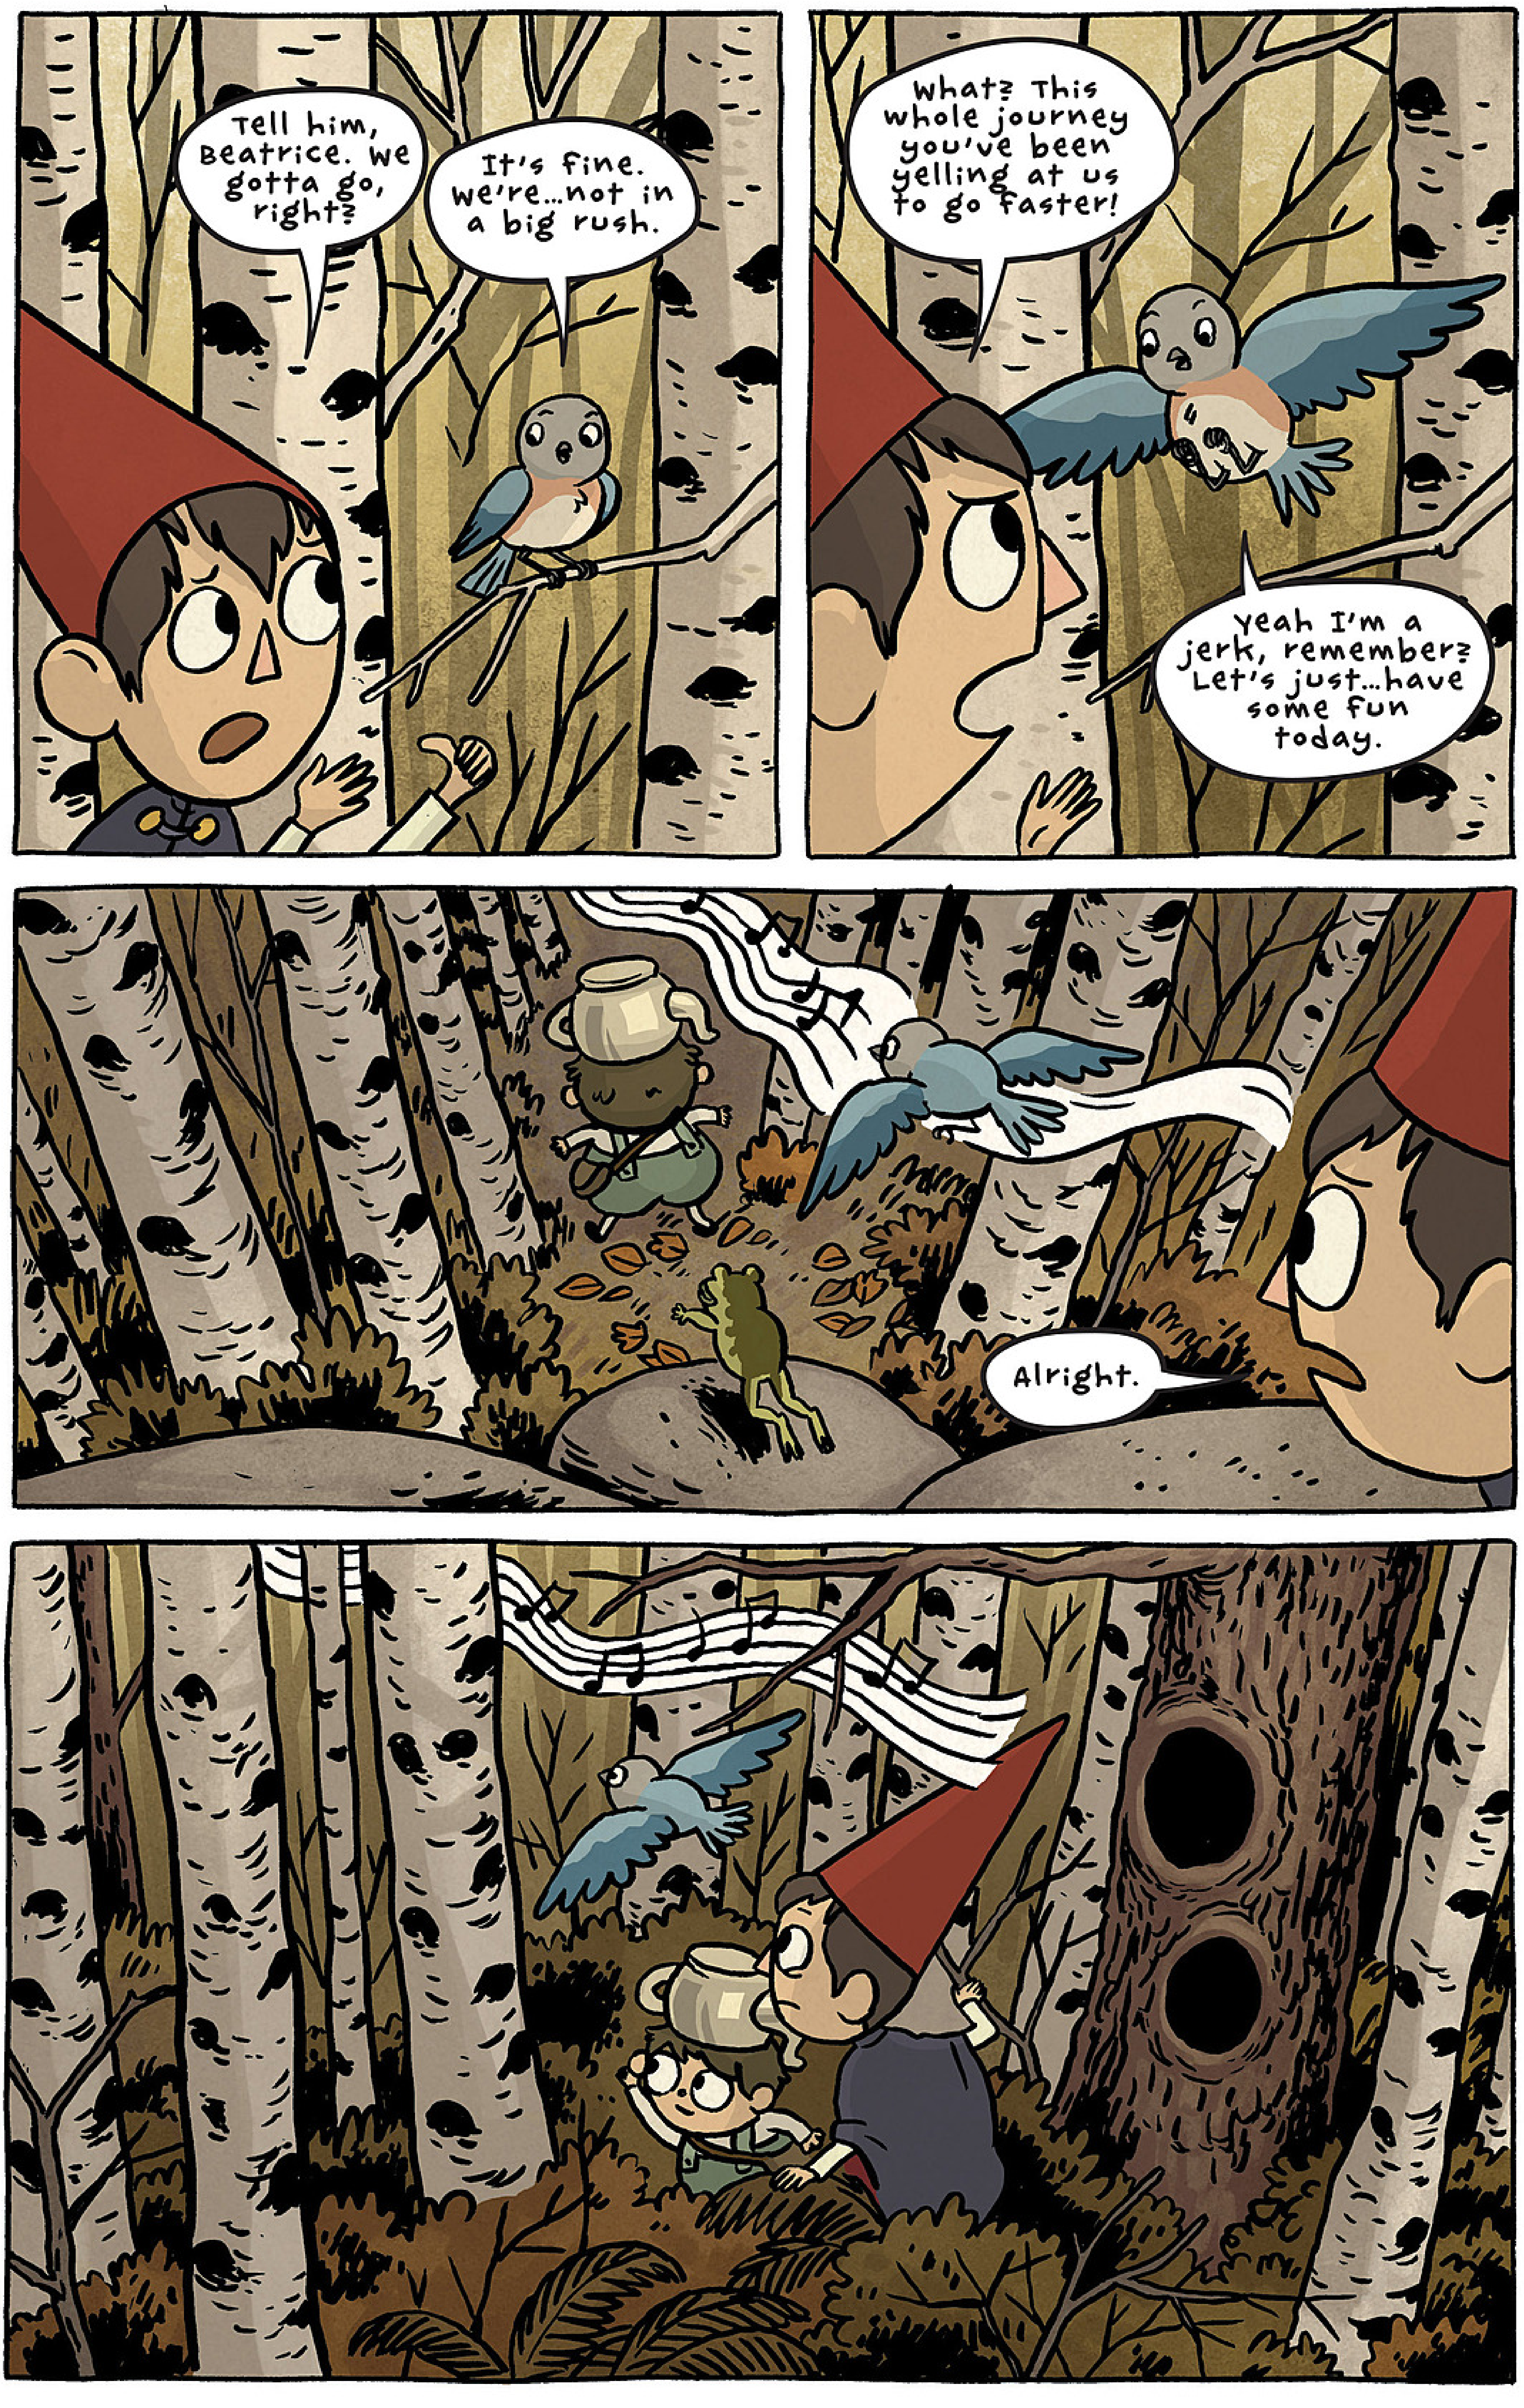
Hey, I'm gonna wear funny shoes when I get home too! Everybody's gonna call me and Wirt the lookin' good boys!
ROROP!
We'll be on the cover of the magazine!
Aww, no Greg, c'mon...I don't want people back home to know I wore the wrong shoes!
OK, yeah, I'll tell everybody that THEY'RE wearing the wrong shoes because they're not wearing their shoes all mixed up like Wirt does!
Ugh... please...
Y'know, maybe we should just leave you here in the woods.
Wirt, don't say stuff like that.
I'm just kidding. But seriously...Greg embarrasses me SO much back home, you have no idea.
Hey Wirt, do you have control over your bowel movements?



Uh…what? You mean…ugh… I dunno! To a limited degree, I suppose I do.
Are they talking about what I think they're talking about?!
Yeah, well bluebirds have no control whatsoever; just comes out unannounced at any given moment. You wanna talk about embarrassment?
Aw geez. No, not anymore I don't.
I wanna talk about it, Beatrice!
No, no, lets change the subject. I just brought it up to give you some perspective. As much as I mock you, you really have nothing to be embarrassed about.
Well I'm not too embarrassed around you, I guess. You're not secretly judging me.
Oh I judge you.
Heh, yeah, but you do it right to my face! It's just your personality to act like a crabby jerk all the time.
But you can't tell what friendly people are *really* thinking. That's probably why I trust you. I know you're not gonna stab me in the back or anything, y'know?
Yeah…



I mean it would take a REALLY horrible person to be a jerk to someone's face AND stab them in the back by pretending to be their friend.
You know what I mean? Just horrible.
Yeah yeah, I got it Wirt. I know.
Hey, what's that silly-sounding sound?
Aw, c'mon. You're not gonna get us side-tracked AGAIN, are you? We're almost to Adelaide, Greg.
Yeah... but...
...silly... sounding... sounds...



Tell him, Beatrice. We gotta go, right?
It's fine. We're…not in a big rush.
What? This whole journey you've been yelling at us to go faster!
Yeah I'm a jerk, remember? Let's just…have some fun today.
Alright.

Wirt! Lets go dance!
RoRop!
Me?! No way, I wouldn't be caught dead dancing around holding hands with my little brother!
Go on, Wirt. Who's gonna see you except Greg, me, and those weird animals?
Yeah...but... I'm more of a "stand on the edge of the gymnasium for a few minutes and then go home early before anyone sees me" type of guy.
Ok, agreed! A few minutes of dancing and then we'll go home! Good plan, Wirt!
That's not what I--
You gotta stop being embarrassed about yourself *sometime*, Wirt!
No I don't!

Whaaaaat?
It's Greg's fault! He wanted to eat one of the pears so he traded all his clothes to a duck!
And then **WIRT** traded all his clothes to a bear for a pear! Hey that rhymes!
I didn't trade it! I was intimidated by the bear! If an angry bear wants your clothes, you give him your clothes!
BAHAHAHA!
It's not funny

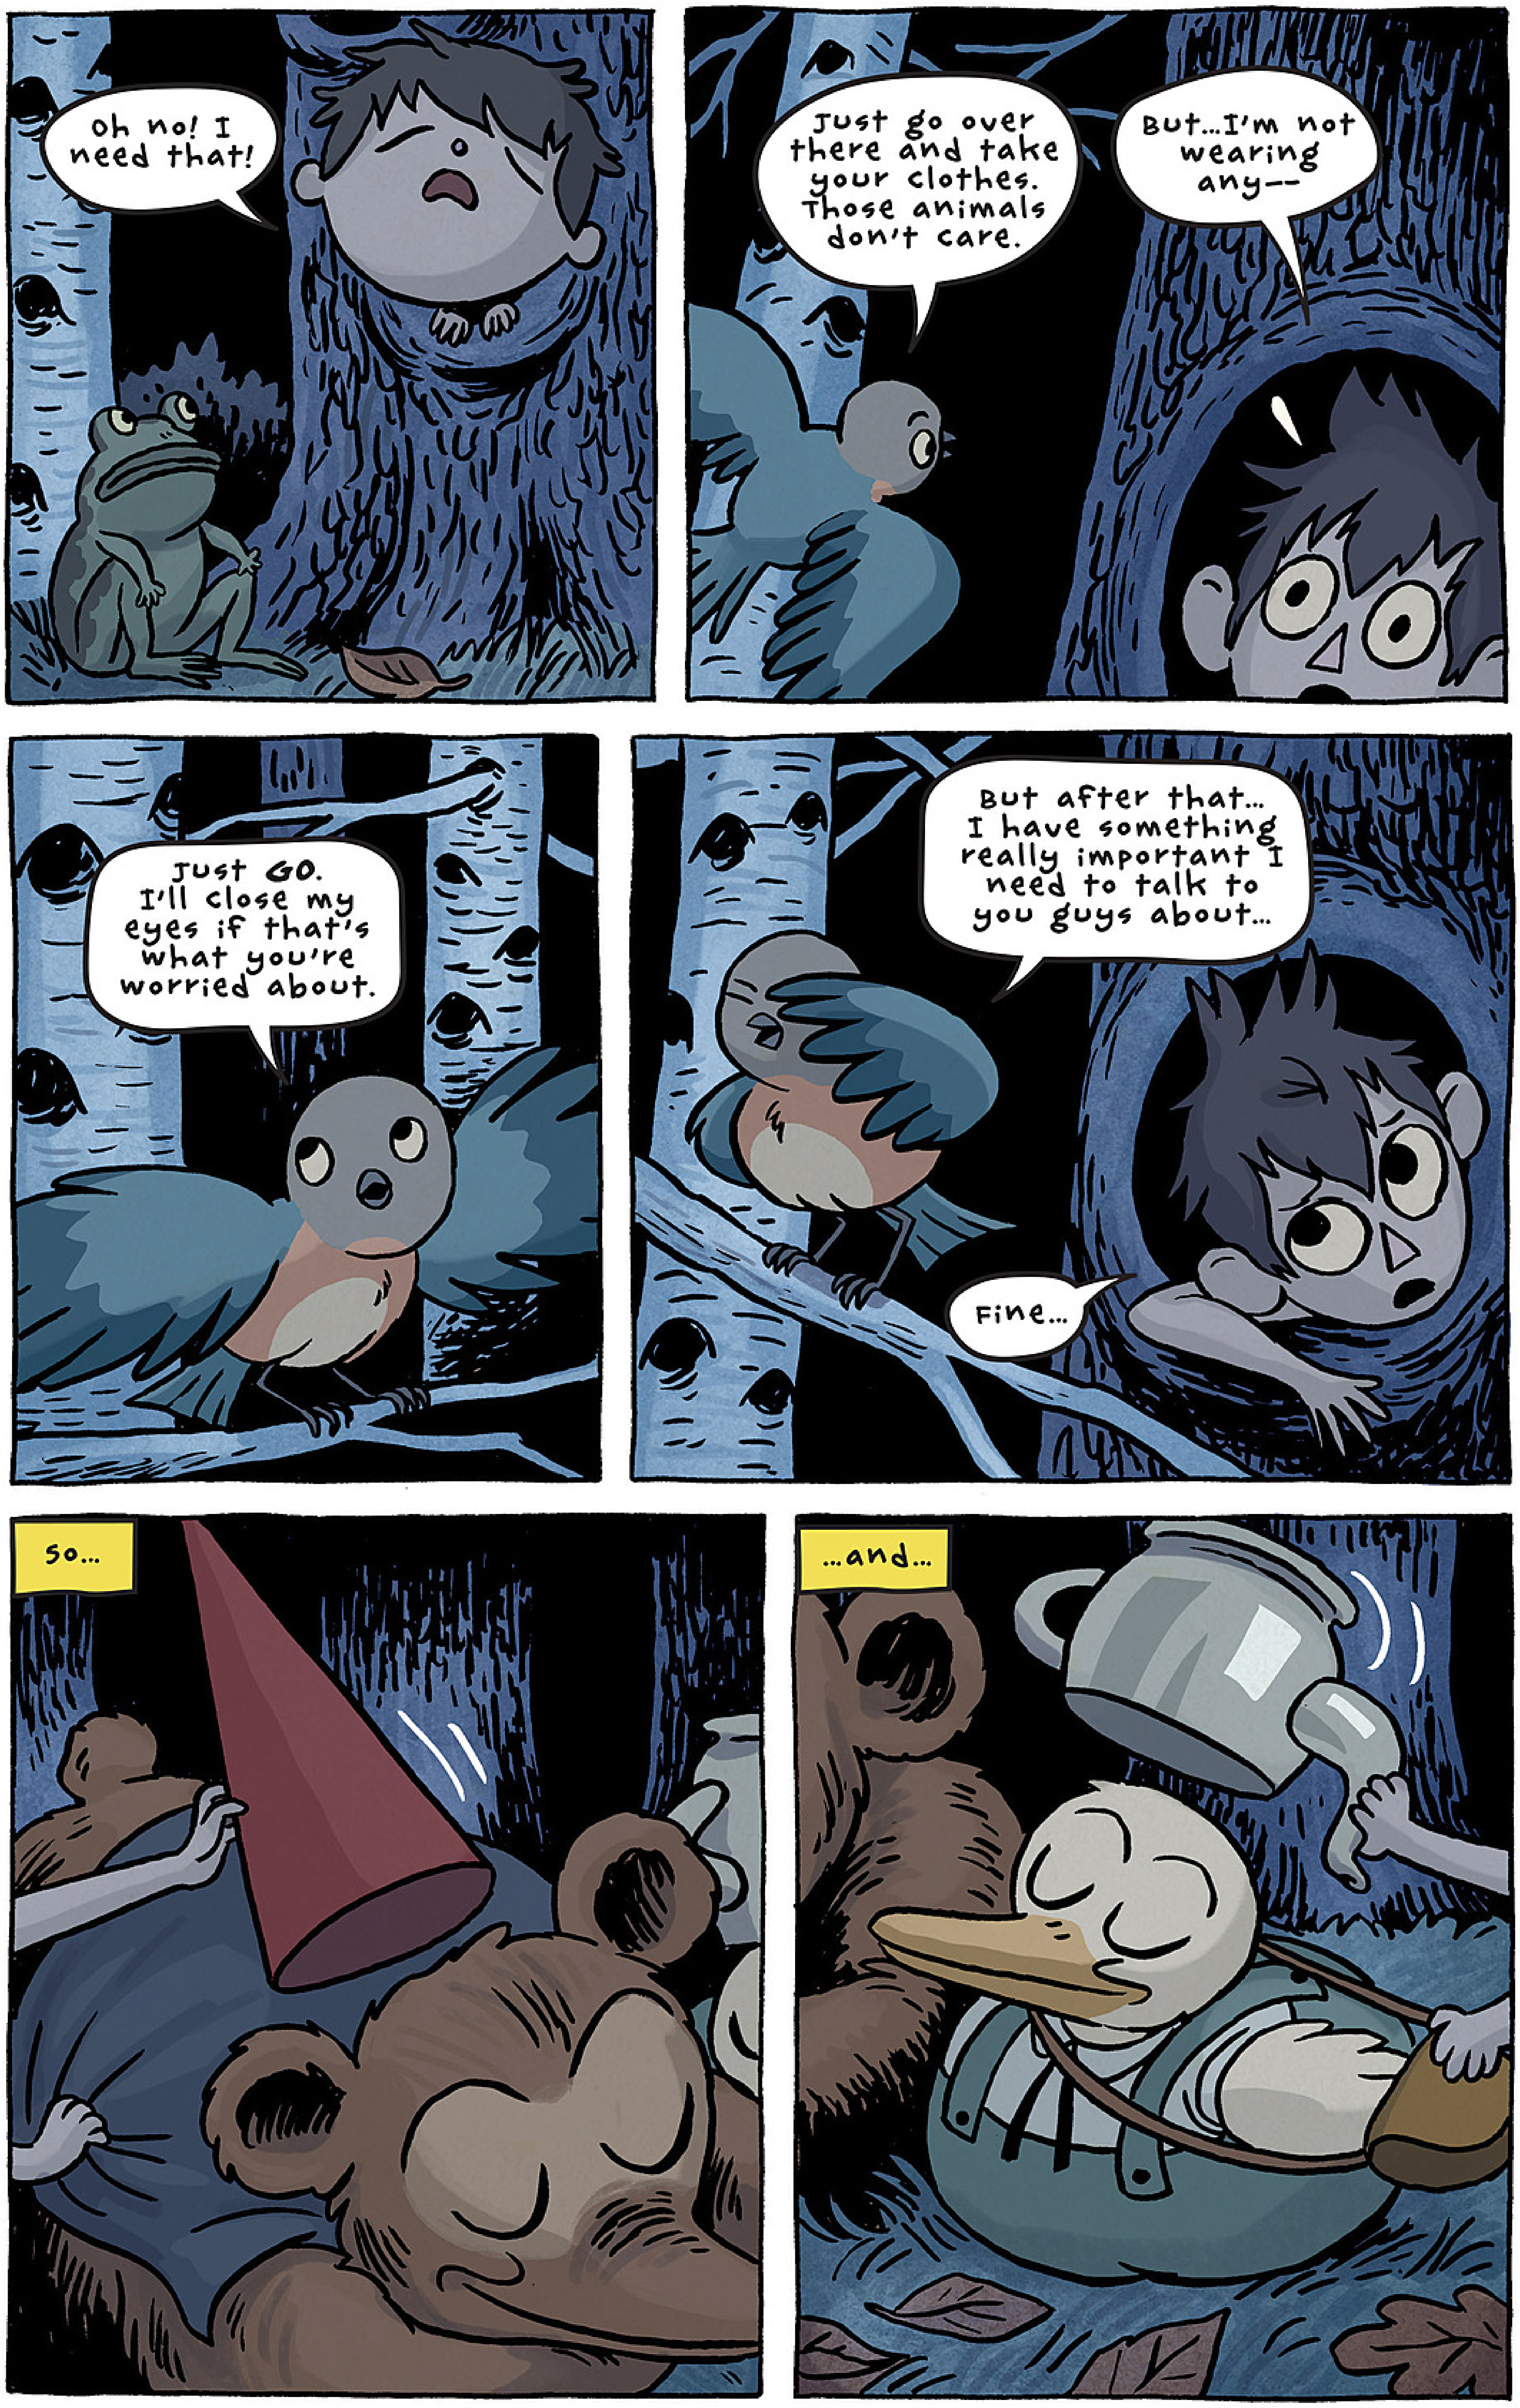
Ostriches can kick you!
Can't they? I don't know! I don't know what ostriches do, but I don't want to mess around with one!
Oh my gosh, you guys. And then you didn't eat the pears?
Wirt trapped me in this tree and is holding them hostage!
Well if we EAT them then we can't trade them back for our clothes!
But why don't we eat ONE of them? Because when you have two pears and you eat one pear, you still have two pears because a pair is always TWO...so two pairs is actually 4 pears, and 4 pears is 8 pears, until you get to infinity. That's just a common knowledge run-of-the-mill rock...fact...
Hey! What happened to my rock facts rock?



Oh no! I need that!
Just go over there and take your clothes. Those animals don't care.
But…I'm not wearing any--
Just GO. I'll close my eyes if that's what you're worried about.
But after that… I have something really important I need to talk to you guys about…
Fine…
